Editorial opportunities

Ever feel frustrated by your lack of coverage, no matter how many press releases you send to the editor...?

Advertisers in SHIRE have unique access to the editorial team, and are able to get free editorial coverage in addition to advertising presence in the magazine. The editorial is of the highest quality, created by our professional team of experienced writers and designers, including in person interviews and photoshoots.

Free editorial coverage is an important way to complement your advertising campaign, reinforce to the readership the important messages you want them to take on board about your brand, and create the biggest return from your campaign.

You can read all current and back issues online at www.shiremagazine.co.uk
